KINDY HOCKEY

Our first season is nearly over with all players having the opportunity to play in a junior team for In house. It has been great to see a team of people make Kindy Hockey a fantastic sporting event.

The parents have learnt along with the players what gear to wear, how to wear it correctly and whether they have a left hand or right hand stick...and much more

The coaches' teaching was invaluable and included learning to fall confidently and trusting their protective gear. I cannot emphasise the joy of seeing children overcome through falling and getting up again and again, and of course eventually staying up on their skates and moving quickly around the rink.

The remaining dates for the season are:

21 May - 4.45pm: Mini pucks training session

28 May - 4.45pm: Games

4 June - 4.45pm: Finals with games and presentations

Looking forward to seeing you there and please remember to bring mouthguards!

U12

It has been an excellent start to the Dragon's season! The team has combined well with our new U12's James, Darcy and

Alex who have made the transition from the U10's to the more complex game play and positioning structure. Our great coaches Nick, Viv and Jason have put a huge amount of effort and time into the team with excellent results achieved in only a short period of time. Congratulations to the captain Lochie Young and Assistant Joey Carle who have led the team to some impressive wins! The Teamwork, hard training and sportsmanship being shown from the whole team on and off the rink is awesome.

Keep up the good work!!!

Under 17's Dragons:

Competition has been limited this season with only 4 teams in our age group although it has still been very competitive. There has been a few close calls with either a draw or a loss along with our wins. We are looking forward to the upcoming State Titles to be held at the end of June, which I'm sure will see many players exhausted as a result of some great hockey!

Senior A's:

Our Dragons A's have been battling through each game on Tuesday nights to find themselves among the top 3 of the 12 teams in their league. The games at this level have been a great learning curve for our players as the majority are from our Under 17's team. Players have been giving it everything they have and it has been paying off. We are looking forward to the rest of the season.

Regards,
Shane.
